**i. Military Equal Opportunity (MEO):** The Equal Opportunity and Treatment (EOT) complaint process is a means for military members, their families, and military retirees to present allegations of unlawful discrimination and sexual harassment to the offending party, someone in a position of authority, or both. When appropriate, complainants should be encouraged to resolve complaints informally before filing formal complaints within supervisory and chain of command channels. For more detailed information contact the 30th Space Wing MEO office at 6-0370. (30 SW/ME)

**j. Airmen Against Drunk Driving (AADD):** Call us; we'll be your wingman! Call AADD at 605-AADD/606-AADD for a free and anonymous ride home Thursday—Sunday, 1700—0500. To volunteer as a driver, contact [SrA David Brown](#) at 6-8483. (381 TRSS/TSU)

**k. National Highway Traffic Safety Administration:** According to NHTSA, motor vehicle crashes in July and August appear to have especially deadly consequences. Here are some tips that'll help make your trips safe: (1) Keep your car engine, lights and exhaust system in good working order; (2) Get in the proper frame of mind before taking a long drive; (3) Focus on the drive and the magnitude of your responsibility as you drive you and your family; (4) Carry emergency gear, a cell phone and phone battery charger; (5) Don't drive if you're sleepy, tired or under medications (that impair ability to stay awake and focused). Take regular breaks (every 2 hours) and share driving responsibilities, if possible; (6) Stick to safe driving practices: Don't drink and drive; ensure everyone is securely buckled in place before you start the vehicle; secure heavy and/or metal items that, in a crash, will become airborne and turn into dangerous projectiles; (7) Keep your gas tank FULL—it may be necessary to change routes because of construction, a crash, etc. (30 SW/SEGB, 6-8804)

Civilian employees who would like to donate a portion of their annual leave must complete an OPM 630-A for Air Force employees or OPM 630-B for non-Air Force employees. Stop by Bldg 11777, Rm B-103 to pick-up and/or turn in your form or access these forms online at <http://www.opm.gov/forms/html/opm.asp>.

**b. Evaluation of Federal Civilian Employees' Performance under the National Security Personnel System (NSPS):** The Air Force is exploring how Federal civilian employees' performance can best be

evaluated under NSPS, and is giving employees the opportunity to provide input by participating in a survey. The results of the survey could have an impact on how civilians' performance is rated in the future. Therefore, it is important that each Federal GS employee participate. Federal Wage System (FWS) employees are not being asked to participate in the survey at this time; and the survey does not cover Non Appropriated Fund (NAF) employees. The survey will be accessible at <http://www.pfsurvey.net/nsps/> from 6 Jul to 20 Jul 05. It is estimated that the survey will take 15 to 20 minutes to complete. **6. 30th Civil Engineering Squadron: (30 CES)**

**a. Attention Facility Managers and Base-Wide Customers—New Customer Complaint Form:** If you have any problems or complaints with your base-wide services (i.e., grounds maintenance, custodial services, refuse/recycle pickup, etc.), there is a new customer complaint form that supersedes/replaces the old AF Form 714. The new form: Customer Complaint Record-Template, SAF/AQCP, Feb 05 is essentially the same, but can no longer be accessed through the VEPDL website. The website link to download the new form is: <https://www.safaq.hq.af.mil/contracting/affars/5353/library-5353.html>. The form is in MS Word format and once downloaded can be saved onto your computer as a word document. If you do this, you will only need to access the website link once. You can fax filled-out complaint forms with specific complaints to CE Service Contracts at 6-1252. No fax cover sheet is required. If you need additional assistance, contact Lana Davenport, at 6-1927. (30 CES/CEOEC)

**b. Attention Facility Managers and Base-Wide Customers—Procedures for Landscaping Requests:** CE Service Contracts Section has received numerous requests for replacement of bark, lava rock, etc. For clarification: replacement of landscaping is *not* part of the base grounds contract; the contract is for routine "maintenance" only. Replacement of landscaping materials is considered "landscaping projects" and requests of this nature should *not* be sent to Service Contracts. The most expeditious method for replacement of landscaping materials can be accomplished as a self-help project utilizing your organizational IMPAC funds. If this is not an option, you can submit a BCE Work Request Form (SW Form 35) through the CE Customer Service Desk in Bldg 11439. Your request will be reviewed by the Work Request Review Panel (WRRP) to determine if the work can be completed in-house, as part of a project, or contracted out. These options all require a lengthy process, funding, etc, and are not beneficial if your project is small or if you are seeking quick results. If require additional assistance, contact Lana Davenport, at 6-2330. (30 CES/CEOEC)
